MAC 6

RESPECT

Our shared purpose and safety commitment

	R	RESPECT We treat each other with dignity, professionalism, and care. We greet each other with a handshake or fist-bump.
	E	ESCALATE EARLY We raise issues early and communicate with transparency. Early escalation protects people, schedule, and quality.
	S	SAFETY ALWAYS Safety is our top priority. Every task, every shift, no compromise, no exceptions.
	P	PLAN CLEARLY We plan with intention, clarity, and discipline. Decisions are timely, documented, and based on facts. Aconex is our one source of truth.
	E	ENGAGE OPENLY We speak up, challenge constructively, and listen. We value diverse views.
	C	COMMUNICATE HONESTLY We communicate clearly and consistently. No silent disagreement, no withheld information, no work-around behaviour.
	T	TRUST THE TEAM We commit to reliability, transparency, and integrity. We back each other. We are one team working together to a shared purpose and standard.

We will deliver the Macquarie Wharf
Redevelopment Project safely,
working together as one integrated
team, grounded in discipline, open
communication, shared accountability and
our joint commitment to MAC 6 RESPECT.
